Ensor Palacios, Ph.D.

University of Bath
Department of Mathematical Sciences
4 West University of Bath Claverton Down Bath BA2 7AY United Kingdom

Mobile: +44 (0)775 486 7735
email: erp65@bath.ac.uk

Education

2018-2023 **University of Bristol**
PhD Wellcome Trust Neural Dynamics Programme.
Project and supervisors: excitatory-inhibitory balance and information processing in the cerebellar cortex; Conor Houghton, Paul Chadderton.

2018 **University College London**
Erasmus internship.
Project and supervisor: simulations of neural network self-organisation under the free energy principle; Karl Friston.

2015-2017 **University of Padua**
Master in Cognitive Neuroscience and Clinical Neuropsychology.

Project and supervisors: simulations of biological self-organisation under the free energy principle; Karl Friston, Gianluca Campana.

2012-2015 **University of Padua**
Bachelor's degree in Cognitive Psychology and Psychobiology.

Employment and affiliations

2024-present **University of Bath** – Department of Mathematical Sciences.
Research associate in the group of Dr. Theresa Smith working on health-related problems using statistical and machine learning techniques; position funded by the AI4CI (UKRI AI Research hub).

2024-present **University of Bristol** – Honorary position.

2024 Jan-Sep **University of Bristol** – MRC Integrative Epidemiology Unit.
Postdoctoral transition fellowship in epidemiology, investigating the effects of air pollution on dementia in the UK Biobank cohort; project lead in collaboration with Prof. Kate Tilling.

Funds and awards

2026 Impact fund, University of Bath (£2500).

2026 Seedcorn fund, Cabot Institute for the Environment (£5000).

2024 Stipend, Wellcome Trust funded transition fellowship (8 months).

2018 Stipend, Erasmus Programme (9 months).

2017 Stipend, Erasmus Programme (7 months).

Research Skills and Experience

R, Python, Shiny

Time series

Survival analysis

Causal inference

Github

https://github.com/ensorpalacios

Publications

2026 Bed occupancy forecast for decision-making during periods of high hospital pressure. Under review.

**Equal contribution.*

Conferences and talks

2025 ISCB, poster presentation.

2023 Najafi Lab (Georgia Tech), invited talk.

2022 SFN, poster presentation.
